**PRINCIPAL’S NEWS**

**Dear Families,**

**Darren Ball - Principal**

**HOC NEWS**

**NAPLAN**
I just wanted to commend all the year 3 and 5 students in the relaxed and mature way they handled the three days of NAPLAN testing last week. Students tried their best without becoming stressed and anxious. Classrooms went back to regular business quickly afterwards and they should all be proud of their efforts. Year 3 had perfect attendance, making the administration side of it a breeze. Thank you to all the parents and caregivers who helped make this a positive experience as well and a big thank you to the Life Church volunteers and Chappy Angelina who put on Breakfast Club each morning for the students. It was well used!

**Free Reading Resource**
Our wonderful Prep to Year 2 teachers have been working hard to instill positive reading behaviours with all students. In the younger years consistent practice using the strategies is key in making them second nature. To help use the same behaviours, strategies and language around reading at home and in school we have some Reading bookmarks available for any parent who would like to use them. Prep students have all received one to use with their home readers already but you are welcome to one for students in other year levels as well. These are available from the school office – all laminated ready to go.

The love of reading and believing they can read is the basis for positive learning in all subject areas.

**Active School Travel: Scooter Skills and Walk Safely to School Day**
Yesterday we saw 30 students participate in the Active School Travel Scooter Skills training session. Ms Araya was lucky enough to be able to work with the group and said they were all excited with the opportunity to not only ride their scooters during school time but try out some of the skills and techniques to ride safely.

We also had our ‘Bling Your Thing’ for our Travel Tuesday. Students were able to ‘bling’ their helmet and go into the draw for an Active School Travel prize, which will be drawn at next week’s assembly. The Brisbane City Council has kindly donated three prizes for us to draw, giving more students the opportunity to win for their bling!

Don’t forget this Friday is national ‘Walk Safely to School’ day. Students who are able to walk … even if it is parking the car a couple of streets away and walking a little bit to school, are able to get an extra stamp in their Active School Travel passports to work towards the ongoing prizes. Teachers will also have special stickers to help promote this event.

**Yeronga State High Exceptional Learners’ program**
Congratulations to the 12 students from year 5 and 6 who were selected to participate in the Yeronga State High Exceptional Learners’ program. This is the first time we have been invited to be part of this fabulous enrichment program. Yeronga is offering six areas of extension: English, Mathematics, Science, Health and Physical Education, Media Arts and The Performing Arts. Students were selected based on their current and past performance in the specific area as well as their problem solving and work ethic. This is a wonderful opportunity and I am sure they will do our school proud.

**Graduation Meeting – Monday 23 May, 3.10pm in 6B classroom**
There will be a meeting for any interested parents, especially those from year 5 and 6, regarding the format and planning for this year’s graduation. Year 5 parents in particular are invited to help form an ongoing format for our school graduation which is both respectful, celebratory and manageable. Students are welcome to attend as well as parents from other year groups who have an interest in graduation. The meeting will be held this coming Monday, 23rd May, at 3.10pm in the 6B classroom. A note went home with all year 5 and 6 students earlier this week.

**CARNIVAL BOOK CLUB**

As per usual, there is a wonderful range of books to choose from, at a variety of prices. Book Clubs such as this one are a great way to actively encourage voluntary reading at home. Encouraging reading at home ensures that children are not only interested in reading, but really enthusiastic about it.

So keep an eye out for the catalogues, which should be making their way into your homes very soon. As an added bonus, 20% of all the proceeds come back to us to purchase new resources for our library.

Thanks so much everyone. **Kaley and the library team**

**VOLUNTARY CONTRIBUTION**

As parents are aware, the School operates a Voluntary Contribution Scheme. The funds collected assist with the bulk purchase of resources, consumables and materials which are used by students in the classroom. The cost is $20 per semester/$40 per year for each student from Prep to Year 6.

Families can pay directly into the school account:
Salisbury School Account – BSB 06-4117 A/c 00090044

In the details section please put your child’s name and VC. Or you can make an EFTPOS payment at the School Office.

We would ask parents to please support this scheme as soon as possible so that your child’s classroom is well resourced. This is the only contribution that the school asks each year.

**Chappy Week, 16-22 May**

Chappy Week is an annual event organised by SU (Scripture Union) to raise the profile of chaplaincy, raise funds and to celebrate the work chaplains and their volunteers do for the young people of Queensland.

**Did you know …**

- Almost 63% of Queensland schools have a chaplain… which is their choice to make. Over 600 school chaplains in 880 Queensland schools, of a total 1230 state schools and 180 independent public schools throughout the state.

**Did you know …**

- Students, chaplains and local businesses (in my district) are working together to host 5 “Mornings of Gratitude” at aged care facilities across Brisbane West? The half-day celebrations will include delicious food, choirs, beauty treatments and flowers, to honor our senior citizens for all they’ve done. You can become a “High Fiver” (donating $5 a week) to make this new initiative a reality. Go to **https://youtu.be/ryEsYEWzc00** for more information.

**Did you know …**

- The LCC (Local Chaplaincy Committee) is hosting a morning tea for staff on Thursday 19th May to celebrate Chappy Week at the school?

Thank you for giving me the opportunity and privilege to be the Chaplain of this amazing school.

**SCHOOL BANKING**

Well done to all the regular savers who are banking every Thursday! We haven’t broken our record of 51 bankers yet but have come close a couple of times. The number of bankers each week are 22/4 - 33 bankers, 29/4 – 39 bankers, 06/5 – 45 bankers and 13/5 – 36 bankers. Keep up the good saving goals and habits!

To encourage good savings behaviour, students will receive a silver coloured Dollarmites token every time they make a deposit to their savings account at school. When they have collected 10 tokens, they can redeem them for a variety of exclusive Dollarmites reward items. These rewards and certificates are presented at Parade.

The program is also a great fundraising activity as our School receives:

- $5 for every account activated via the program
- 5% of every deposit made at school (up to a maximum of $10 commission per individual deposit)

Your School Banking Coordinators are **Rachel Panousis 0448 310 806** and **Amanda Haussmann 0438 788 540**. Please contact us if you have any queries.

**Don’t forget to give your bank books to your teacher every Thursday!** If you have not handed it into the teacher on Thursday morning, please hand to the office Thursday afternoon at the latest as we process the banking on Friday morning in the uniform shop, so if you have any questions please feel free to pop in between 8:00 - 8:30.

**PCYC NEWS**

Hi everyone!  
**Kaye and the PCYC team ☺**

**COMMUNITY NEWS**

**C F AWARENESS MONTH**

People living with CF (Cystic Fibrosis) will find themselves in hospital a lot easier due to the thick mucus in their lungs which loves to harbour germs from others spreading their colds and flus around in the community. Hospitalisations can consist of a minimum 2 weeks receiving intense physio therapy and strong antibiotics administered through an IV drip. People with CF can be admitted into hospital from 1 up to 6 times per year.

This information is just the basic outline of living with CF in cold and flu season– each individual can have more or less to juggle everyday on top of going to school or us as parents trying to maintain a full time job. It’s hard work, but I think everyone will agree that it is worth it to keep as healthy as possible.

Therefore, if families are aware, they may think twice about sending their sick children to school.
